WHAT IS TALENTS?

TAILORING ACADEMIC LEARNING & ENRICHMENT TO NURTURE TRUE SUCCESS

T.A.L.E.N.T.S. is an expansion of our afterschool enrichment offerings to support students academically and provide opportunities for them to explore their passions and develop their strengths.

Over 6,500 Miami-Dade County Public Schools students across 99 schools participate in this academic afterschool enrichment program with access to more than 40 activities such as ballet, hip hop dance, yoga and ceramics.

With an emphasis on M-DCPS' current Learning Extension plan, TALENTS has been one of the catalysts for encouraging students to participate in intensive afterschool interventions, test preparation and homework assistance. [#MDCPSgotTALENT](#)
